### Article I. Purpose of the contract

Contract entered into between UNESCO and the Contractor in order to perform the following:

#### ANTECEDENTES

*Desde la adopción de la Convención del Patrimonio Mundial en 1972, han surgido innumerables reflexiones que describen y revelan las circunstancias que marcaron el nacimiento de este instrumento internacional. A 50 años de distancia, estas reflexiones han dado paso al análisis del camino recorrido, a la evaluación de los resultados obtenidos y del panorama que se aprecia en el horizonte. Actualmente, la Convención del Patrimonio Mundial, por la fuerza simbólica de la noción del Patrimonio Mundial, ha adquirido el inmenso mérito de proveer o constituir un medio de presión moral a los países, para que resguarden y velen por la protección de los bienes que ellos mismos han postulado para su reconocimiento.*

*El regreso a los orígenes de este documento pareciera ser necesario, y la celebración de su 50 aniversario, el motivo perfecto para una revisión retrospectiva de los logros, los avances y también los fracasos. Siendo aún el único instrumento de derecho internacional con posibilidades de mantener, bajo una misma disciplina unitaria, dos sectores complejos como lo son la dimensión cultural de los pueblos y la protección de la naturaleza, la Convención del Patrimonio Mundial hoy plantea grandes desafíos.*

*Es necesario fortalecer la relación entre la cultura y la naturaleza, recuperando así la esencia de la Convención. Esta actitud no sólo es crucial para la credibilidad de la misma, sino que es también indispensable para asegurar una conservación integrada y una adecuada comprensión del Patrimonio Mundial. Otros de los retos que se vislumbran tienen que ver con el manejo de los sitios patrimoniales. Para lograr la credibilidad de la Convención no basta con que la Lista del Patrimonio Mundial sea más equilibrada geográficamente o en cuanto a las categorías patrimoniales; lo más importante es que los bienes inscritos alcancen los mejores niveles de conservación y gestión, que se logre la mayor participación posible de las comunidades locales, que se reconozcan las mejores prácticas para la conservación del patrimonio, y por supuesto, que se incorpore en la gestión del patrimonio el enfoque del desarrollo sostenible.*

*Por lo anterior, y destacando la pertinencia de conmemorar el 50 aniversario de la Convención de 1972 con la participación de las comunidades, jóvenes, autoridades, investigadores, académicos, organismos no gubernamentales y demás actores involucrados con la protección del Patrimonio Mundial, la Oficina de la UNESCO en México propuso al gobierno municipal de Querétaro colaborar con la edición e impresión del libro conmemorativo denominado "50 años de la Convención del Patrimonio Mundial en México e Iberoamérica. Medio siglo en la gestión del Valor Universal Excepcional".*

### OBJETIVO DEL CONTRATO

Realizar actividades en torno a la importancia de la inscripción del Centro Histórico de Querétaro como sitio de Patrimonio Mundial, tales como la distribución y difusión de libros alusivos al patrimonio cultural y la Convención del Patrimonio Mundial, así como la implementación de la agenda 2030 y los Objetivos de Desarrollo Sostenible.

### 2. SOURCE OF INSTRUCTIONS

The Contractor shall neither seek nor accept instructions from any authority external to UNESCO in connection with this Contract. The Contractor shall refrain from any action, which may adversely affect UNESCO and shall fulfill its commitments with the fullest regard to the interests of UNESCO.

### 3. CONTRACTOR'S RESPONSIBILITY FOR EMPLOYEES

The Contractor will select, for work under this Contract, reliable individuals who will perform effectively in the implementation of this Contract, respect the local customers, and conform to a high standard of moral and ethical conduct.

### 4. ASSIGNMENT

The Contractor shall not assign, transfer, pledge or make other disposition of this Contract or any part thereof, or any of the Contractor's rights, claims or obligations under this Contract except with the prior written consent of UNESCO.

### 5. OFFICIALS NOT TO BENEFIT

The Contractor warrants that no official of UNESCO has received or will be offered by the Contractor any direct or indirect benefit arising from this Contract or the award thereof. The Contractor agrees that breach of this provision is a breach of an essential term of this Contract.

### 6. OBLIGATIONS, INDEMNIFICATION AND INSURANCE

6.1 The Contractor attests that the performance of the activity does not prejudice the rights of third parties and is not in violation of any applicable law.

6.2 Unless otherwise provided herein, the Contractor shall bear all the expenses of carrying out the activity.

6.3 The Contractor shall indemnify UNESCO and absolve it of any responsibility for any prejudice, loss or damage sustained as a result of the non-observance of the above-mentioned obligations and for any court action, claim or charge of any kind which may result from a wrongful act or omission perpetrated by the Contractor or by any of its employees in the execution of the contract. The Contractor shall also bear, or reimburse UNESCO for any legal costs and/or other legitimate expenses incurred in connection with any legal action in which the Organization may come to be implicated as the result of an offence committed by the Contractor.

6.4 The Contractor undertakes full responsibility for the purchase of any health and medical, accident or other insurance which may be necessary in respect to any loss, injury, damage or illness occurring during the execution of the contract.

### 7. USE OF NAME, EMBLEM OR OFFICIAL SEAL OF UNESCO

The Contractor shall not use the name, acronym, or emblem (logo) of UNESCO except with the specific prior authorization in writing of UNESCO.

### 8. FORCE MAJEURE; OTHER CHANGES IN CONDITIONS

Force majeure, as used in this Article, means acts of God, war (whether declared or not), invasion, revolution, insurrection, or other acts of a similar nature or force, which are beyond the control of the Parties. In the event of and as soon as possible after the occurrence of any cause constituting force majeure, the Contractor shall give notice and full particulars in writing to UNESCO, of such occurrence or change if the Contractor is thereby rendered unable, wholly or in part, to perform its obligations and meet its responsibilities under this Contract. The Contractor shall also notify UNESCO of any other changes in conditions or the occurrence of any event, which interferes or threatens to interfere with its performance of this Contract. The notice shall include steps proposed by the Contractor to be taken including any reasonable alternative means for performance that is not prevented by force majeure. On receipt of the notice required under this Article, UNESCO shall take such action as, in its sole discretion, it considers to be appropriate or necessary in the circumstances, including the granting to the Contractor of a reasonable extension of time in which to perform its obligations under this Contract. If the Contractor is rendered permanently unable, wholly, or in part, by reason of force majeure to perform its obligations and meet its responsibilities under this Contract, UNESCO shall have the right to suspend or terminate this Contract on the same terms and conditions as are provided for in Article 9, "Termination", except that the period of notice shall be seven (7) days instead of thirty (30) days.

### 9. TERMINATION

Either party may terminate this Contract for cause, in whole or in part, upon thirty days notice, in writing, to the other party. The initiation of arbitral proceedings in accordance with Article 10 "Settlement of Disputes" below shall not be deemed a termination of this Contract. UNESCO reserves the right to terminate without cause this Contract at any time upon 15 days prior written notice to the Contractor, in which case UNESCO shall reimburse the Contractor for all reasonable costs incurred by the Contractor prior to receipt of the notice of termination. In the event of any termination by UNESCO under this Article, no payment shall be due from UNESCO to the Contractor except for work and services satisfactorily performed in conformity with the express terms of this Contract. The Contractor shall take immediate steps to terminate the work and services in a prompt and orderly manner and to minimize losses and further expenditures. Should the Contractor be adjudged bankrupt, or be liquidated or become insolvent, or should the Contractor make an assignment for the benefit of its creditors, or should a Receiver be appointed on account of the insolvency of the Contractor, UNESCO may, without prejudice to any other right or remedy it may have, terminate this Contract forthwith. The Contractor shall immediately inform UNESCO of the occurrence of any of the above events.

### 10. SETTLEMENT OF DISPUTES

#### 10.1 Amicable Settlement

The Parties shall use their best efforts to settle amicably any dispute, controversy or claim arising out of, or relating to this Contract or the breach, termination or invalidity thereof. Where the parties wish to seek such an amicable settlement through conciliation, the conciliation shall take place in accordance with the UNCITRAL Conciliation Rules then obtaining, or according to such other procedure as may be agreed between the parties.

#### 10.2 Arbitration

Unless any such dispute, controversy or claim between the Parties arising out of or relating to this Contract or the breach, termination or invalidity thereof is settled amicably under the preceding paragraph of this Article within sixty (60) days after receipt by one Party of the other Party's request for such amicable settlement, such dispute, controversy or claim shall be referred by either Party to arbitration in accordance with the UNCITRAL Arbitration Rules then obtaining, including its provisions on applicable law.

Initials

The arbitral tribunal shall have no authority to award punitive damages. The Parties shall be bound by any arbitration award rendered as a result of such arbitration as the final adjudication of any such controversy, claim or dispute.

### 11. PRIVILEGES AND IMMUNITIES

Nothing in or relating to this Contract shall be deemed a waiver, express or implied, of any of the privileges and immunities of UNESCO.

### 12. TAX EXEMPTION

12.1 Section 7 of the Convention on the Privileges and Immunities of the Specialized Agencies provides, inter-alia, that UNESCO, including its subsidiary organs, is exempt from all direct taxes, except charges for public utility services, and is exempt from customs duties and charges of a similar nature in respect of articles imported or exported for its official use. In the event any governmental authority refuses to recognize UNESCO exemption from such taxes, duties or charges, the Contractor shall immediately consult with UNESCO to determine a mutually acceptable procedure.

12.2 Accordingly, the Contractor authorizes UNESCO to deduct from the Contractor's invoice any amount representing such taxes, duties or charges, unless the Contractor has consulted with UNESCO before the payment thereof and UNESCO has, in each instance, specifically authorized the Contractor to pay such taxes, duties or charges under protest. In that event, the Contractor shall provide UNESCO with written evidence that payment of such taxes, duties or charges has been made and appropriately authorized.

### 13. CHILD LABOUR

13.1 The Contractor represents and warrants that neither it, nor any of its suppliers is engaged in any practice inconsistent with the rights set forth in the Convention on the Rights of the Child, including Article 32 thereof, which, inter-alia, requires that a child shall be protected from performing any work that is likely to be hazardous or to interfere with the child's education, or to be harmful to the child's health or physical mental, spiritual, moral or social development.

13.2 Any breach of this representation and warranty shall entitle UNESCO to terminate this Contract immediately upon notice to the Contractor, at no cost to UNESCO.

### 14. MINES

14.1 The Contractor represents and warrants that neither it nor any of its suppliers is actively and directly engaged in patent activities, development, assembly, production, trade or manufacture of mines or in such activities in respect of components primarily utilized in the manufacture of Mines. The term "Mines" means those devices defined in Article 2, Paragraphs 1, 4 and 5 of Protocol II annexed to the Convention Prohibitions and Restrictions on the Use of Certain Conventional Weapons Which May Be Deemed to Be Excessively Injurious or to Have Indiscriminate Effects of 1980.

14.2 Any breach of this representation and warranty shall entitle UNESCO to terminate this Contract immediately upon notice to the Contractor, without any liability for termination charges or any other liability of any kind of UNESCO.

### 15. OBSERVANCE OF THE LAW

The Contractor shall comply with all laws, ordinances, rules, and regulations bearing upon the performance of its obligations under the terms of this Contract.

### 16. AUTHORITY TO MODIFY

No modification or change in this Contract, no waiver of any of its provisions or any additional contractual relationship of any kind with the Contractor shall be valid and enforceable against UNESCO unless provided by an amendment to this Contract signed by the authorized official of UNESCO.

### 17. ANTI-TERRORISM

The Contractor agrees to undertake all reasonable efforts to ensure that none of the UNESCO funds received under this Contract are used to provide support to individuals or entities associated with terrorism and that the recipients of any amounts provided by UNESCO hereunder do not appear on the list maintained by the Security Council Committee established pursuant to resolution 1267 (1999).

The list can be accessed via <https://www.un.org/securitycouncil/content/un-sc-consolidated-list>. This provision must be included in all sub-contracts or sub-agreements entered into under this Contract.

### 18. AUDITS AND INVESTIGATIONS

Each invoice paid by UNESCO shall be subject to a post-payment audit by auditors, whether internal or external, of UNESCO or by other authorized and qualified agents of UNESCO at any time during the term of the Contract and for a period of three (3) years following the expiration or prior termination of the Contract.

UNESCO may conduct investigations relating to any aspect of the Contract or the award thereof, the obligations performed under the Contract, and the operations of the Contractor generally relating to performance of the Contract at any time during the term of the Contract and for a period of three (3) years following the expiration or prior termination of the Contract.

The Contractor shall provide its full and timely cooperation with any such post payment audits or investigations. Such cooperation shall include, but shall not be limited to, the Contractor's obligation to make available its personnel and any relevant documentation for such purposes at reasonable times and on reasonable conditions and to grant to UNESCO access to the Contractor's premises at reasonable times and on reasonable conditions in connection with such access to the Contractor's personnel and relevant documentation. The Contractor shall require its agents, including, but not limited to, the Contractor's attorneys, accountants or other advisers, to reasonably cooperate with any post-payment audits or investigations carried out by UNESCO hereunder.

### 19. PROTECTION FROM SEXUAL EXPLOITATION AND SEXUAL ABUSE

Definitions. For purposes of this Contract, "sexual exploitation" means any actual or attempted abuse of a position of vulnerability, differential power, or trust, for sexual purposes, including, but not limited to, profiting monetarily, socially or politically from the sexual exploitation of another; "sexual abuse" means the actual or threatened physical intrusion of a sexual nature, whether by force or under unequal or coercive conditions. Sexual exploitation and abuse are strictly prohibited. The Contractor, its employees, agents or any other persons engaged by the Contractor to perform any services under this Contract, shall not engage in any sexual exploitation and abuse. The Contractor acknowledges and agrees that UNESCO will apply a policy of "zero tolerance" with regard to sexual exploitation and abuse of anyone by the Contractor, its employees, agents or any other persons engaged by the Contractor to perform any services under this Contract.

Without prejudice to the generality of the foregoing:

(a) Sexual activity with a child (any person less than eighteen years of age), regardless of any laws relating to the age of majority or to consent, shall constitute the sexual exploitation and abuse of such person. Mistaken belief in the age of a child shall not constitute a defense under this Agreement.

(b) The exchange or promise of exchange of any money, employment, goods, services, or other thing of value, for sex, including sexual favors or sexual activities, shall constitute sexual exploitation and abuse.

(c) The Contractor acknowledges and agrees that sexual relationships between the Contractor's employees, agents or other persons engaged by the Contractor and beneficiaries of assistance, since they are based on inherently unequal power dynamics, undermine the credibility and integrity of the work of UNESCO and are strongly discouraged.

Initials

Reporting of allegations to UNESCO. The Contractor shall report allegations of sexual exploitation and abuse, of which the Contractor has been informed or has otherwise become aware, promptly to UNESCO, in line with its established reporting mechanism. To the extent legally possible, the Contractor will require its employees, agents or any other persons engaged by the Contractor to perform any services under this Contract, to report allegations of sexual exploitation and abuse arising in relation to this Contract directly to UNESCO.

This provision must be included in all sub-contracts or sub-agreements entered into under this Contract.

## 20. UNITED NATIONS SUPPLIER CODE OF CONDUCT

The Contractor acknowledges that the UN Supplier Code of Conduct (available from <https://www.un.org/Depts/ptd/about-us/un-supplier-code-conduct>) provides the minimum standards expected of the UN Suppliers.
